PARTNER WITH THAIZER

Over the last 10 years I've been fortunate to travel to every corner of Thailand. Thaizer.com is where I share my experiences and knowledge with people around the world who are planning a trip to this amazing, but sometimes baffling country.

The site has been commended by the Tourism Authority of Thailand (TAT) and I've been invited on a number of media trips arranged by TAT offices in Bangkok and London. I've also collaborated with hotel brands to showcase their properties in Thailand.
